INVITED FACULTY MEMBERS

Dr. H K Nagaraj is working as Senior Professor & Head of Urology, at MS Ramaiah Medical College in Bengaluru, Karnataka. Dr. Nagaraj is the first in the country to start a Mobile Stone Blasting (Lithotripsy) service to rural masses in 1995. He has pursued MBBS and MS (General Surgery) from Bangalore Medical College. After accomplishing MS, Dr. Nagaraj worked with St. John's Medical College as Tutor/ Demonstrator Registrar/Sr. Resident Lecturer in Surgery. He further accomplished an M Ch degree in Urology from Kasturba Medical College in 1987.

Dr. M. Ramalingam is a Urologist in Pappanaickenpalayam, Coimbatore and has an experience of 42 years in this field. Dr. M. Ramalingam practices at Urology & Andrology Clinic in Pappanaickenpalayam, Coimbatore. He completed MBBS from Coimbatore Medical College in 1976, MS - General Surgery from Coimbatore Medical College in 1986 and DNB - Urology/Genito - Urinary Surgery from Diploma National Board in 1990

Dr Madhu Sudan Agrawal: is an Urological Surgeon, Urologist and Functional Urologist in Sikandra, Agra and has an experience of 33 years in these fields. Dr. Madhu Sudan Agrawal practices at Global Rainbow Healthcare in Sikandra, Agra. He completed MBBS from MLB Medical College, Jhansi in 1979, MS - Urology from AIIMS in 1983 and M.Ch - Urology from SMS Medical College, Jaipur in 1989.

Prokar Dasgupta is Professor and Chair of Urology at King's College London, Guy's Hospital, King's Health Partners. He was appointed as Consultant Urologist to Guy's Hospital in 2002 where he pioneered robotic urological surgery within the UK. He is credited with developing the technique of injecting Botulinum toxin in overactive bladders. He became the first Professor of Robotic Surgery and Urological Innovation at King's College London in 2009 and subsequently the Chairman of the King's-Vattikuti Institute of Robotic Surgery. In 2010 he was named one of the top ten prostate cancer surgeons in the United Kingdom by the Daily Mail. His main basic research interest is in the immunology of prostate cancer. He has also contributed to educational excellence by leading surgical simulation within the UK and internationally. He is the current editor-in-chief of the British Journal of Urology International.

Dr. Shivaji Basu, Principal Consultant in Urology, Fortis Hospital Anandapur, Kolkata, Fortis Hospital & Kidney Institute, Kolkata is one of the most well-known urologists of his time. He has been practicing for the last 3 decades with a record of more than 22,000 urological surgeries and procedures under his belt. Dr. Basu's practice specializes in the care of critically ill kidney stone patients. He has been a pioneer in lithotripsy, and has made complex transplant services accessible to save thousands of patients in this part of the country.
